

FRAN'S
CHOCOLATES

MADE IN SEATTLE

FRAN'S STORY

A life-changing trip to Paris inspired Fran Bigelow to open her first shop, Fran's Patisserie and Chocolate Specialties, in Seattle's Madison Valley in 1982. In those early days, she focused on elegant chocolate cakes and pastries, which quickly built a following. During the holiday rush, Fran offered freshly made cocoa-dusted truffles to customers waiting in line. These pure chocolate confections soon became the heart of Fran's business.

A FAMILY BUSINESS

Fran remains committed to pure chocolate. At her production facility in Seattle's historic Georgetown neighborhood, a team of artisans craft rich truffles, chocolate-covered fruits and nuts, and signature salted caramels from the highest-quality ingredients. Her love of chocolate has also become a family affair. Fran's daughter, Andrina, now works alongside her as CEO, and her son, Dylan, is the company's Director of Chocolate, carrying the tradition of excellence forward into a new generation.

LEADING THE WAY

Fran's devotion to innovation and craftsmanship has shaped America's artisan chocolate movement since its earliest days. Her classic confections have built loyal followings, while newer products continue a longstanding tradition of excellence. Many of these items have won national awards. In 2026, she received the *Specialty Food Association's Lifetime Achievement Award*.

ETHICAL and SUSTAINABLE SOURCING

The finest chocolate starts with the finest producers. This year marks a decade of Fran's Organic and Fairtrade certification. This milestone reflects our long-held dedication to pursuing the highest standards of ethical sourcing. Fran's commitment to these certifications ensures our partners align with our mission to:

- Cultivate lasting and transparent relationships
- Support sustainable agriculture
- Build financial equity in the global supply chain

FRAN'S SALTED CARAMEL

In 1998, Fran took inspiration from the fleur de sel caramels of northwest France and created a confection that would become her signature. Her sea salt caramels helped forge a new flavor pathway in the United States.

Fran's salted caramels wrap butter caramel in the finest pure chocolate. Instead of mixing salt directly into the caramel, she finishes each piece with a sprinkle of delicate flakes. This combination continues to delight 28 years later.

Our Gray and Smoked Salt Caramels enjoy frequent acclaim as some of the top artisanal confections in the United States. Along the way they've become an essential gift, handmade in Seattle and bringing joy to chocolate lovers the world over.
